Jeddah, Saudi Arabia

PROFILE

AI-focused Computer Science student at Effat University (graduating 2028) with hands-on experience in business analysis, full-stack development, and entrepreneurship. Founded Madrasatak, an ed-tech platform connecting families to schools; completed a data analytics internship at Wataniya Insurance; and contribute to the World Economic Forum's Global Shapers network. Multilingual and internationally experienced.

WORK EXPERIENCE

Founder — *Madrasatak* June 2026 – Present

- Founded a Jeddah-based ed-tech platform matching families to schools suited to their child's profile, built and launched across web and mobile.
- Designed the end-to-end business model — pricing, revenue streams, and school partnership strategy — while leading brand identity and marketing direction.

Guest Shaper — *Global Shapers Jeddah Hub, World Economic Forum* July 2026 – Present

- Collaborating with WEF-selected young leaders on community impact initiatives and social development projects across Jeddah.

Business Analyst Intern — *Wataniya Insurance* July – Sept 2026

- Analysed operational data and produced decision-support reports informing management across key insurance workflows.
- Identified process inefficiencies and contributed to workflow documentation and optimisation efforts.

Technical Scrutineer & Marshal — *Saudi Arabian Motorsport Federation* Mar 2023 – Present

- Certified Scrutineer overseeing technical and mechanical compliance for competing teams at international race events.
- Supervised operations across F1 2024, Formula E 2025, and WRC 2025.

Activity Instructor — *Ivy Camps USA* July – Aug 2025

- Delivered structured activity programmes for 100+ campers aged 6–16 at an international summer camp in Saudi Arabia.

International Teaching Volunteer — *Nomu Hub, Zanzibar* Dec 2025

- Taught advanced sciences and English to students at an orphanage in Tanzania through an international volunteering programme.

Co-Founder — Cocobahama (Abaya Brand) Sept 2023 – Present

Event Volunteer — Red Sea International Film Festival Dec 2025

Co-Founder & Social Media Manager — Pages Initiative (student library) 2022 – 2023

IT Intern — Waad Education (device provisioning, accounts, networking) Oct – Nov 2022

Marketing Intern — Waad Education Aug 2022

Private Tutor — IGCSE subjects 2021 – 2022

PROJECTS

Padel Court Reservation Platform

Apr 2026

- Built a full-stack booking system with HTML/CSS frontend and Java backend; deployed live on Render. Users can reserve courts, choose coaches, and manage or cancel bookings.

Library Management Database System

2025

- Designed and built a MySQL relational database for library operations with overdue tracking, genre/author search and filter, and user account management.
